Men's Worship & Leadership Activities Survey

NAME: (Please Print): _____

DATE: _____

EXPLANATION: (Please read carefully): This list will be used to make out the service assignments each month as well as provide opportunities to serve in other roles. This form will replace all previous forms as to service assignment activities. *We do not mean this to be exclusive, but as a means of keeping our list as current as possible with those willing to serve.* We want to find a place for all to serve who so wish. However, you should remember not everyone can be used every month. If you receive an assignment you are expected to fulfill it if at all possible. Also, if you receive an assignment and cannot serve you should notify the person designated to find a replacement. If you wish your name removed from the service list for any reason, either permanently, or for a given period, notify said person.

INSTRUCTIONS: Each should examine himself as to his faithfulness as a child of God before agreeing to be used as a leader in worship or other service. Having prayerfully done so, choose from the items listed the thing(s) you are willing to do if you are called on, then place an (X) by that item.
